## TVA WEEKLY NEWSLETTER

The commercial fish yield from TVA reservoirs in calendar year 1962 showed a six and one-half percent increase over 1961, while the 1962 muskrat harvest on the Tennessee River decreased by 33 percent, TVA said today.

Commercial fishermen received about \$915,000 for a 5,612,100 pound catch last year. This is approximately 365,000 pounds more than was harvested in 1961 and approaches the all-time record of 5,900,000 pounds taken in 1959.

The 1962 muskrat harvest was 4,716 tons, compared to 7,039 tons marketed in 1961. However, the downward trend was not consistent from reservoir to reservoir. The decline was significant in the middle section of the river where harvest decreased 56 percent in both Guntersville and Pickwick reservoirs and 40 percent at Wheeler. Gains were pronounced both above and below this area with Chickamauga-Hales Bar tonnage increasing 35 percent and the Kentucky tailwater increasing over 3,800 percent, from 8 to 314 tons.

C. J. Chance, Chief of TVA's Fish and Wildlife Branch, attributed the changes primarily to a decrease in the number of shells available in the middle section of the reservoir system combined with a shift in fishing effort from one area to the other.

Tennessee Valley rainfall was just above normal in May, TVA said today.

Rainfall over the region averaged 4.3 inches compared with a normal 4.12 inches. Rains generally were evenly distributed throughout the

## Koufax Threatens More Records In The Middle of '63's Season

By United Press International

The Los Angeles Dodgers should start selling record books along with scorecards when Sandy Koufax pitches.

Otherwise how are the fans going to know what new feat the overpowering Dodger pitcher is out to achieve? He's already pitched two no-hitters and set a National League strikeout record both for a game and a season. And yet his bullet-like speed continues to threaten more records.

Koufax whipped the San Francisco Giants, 2-0, Monday night to his sixth shutout of the campaign—only one short of the club mark for a season shared by Burleigh Grimes and Whitlow Wyatt.

His 10 victories put him halfway to his first 10-victory season—and the first by a Dodger lefty since 1951—and his nine strikeouts enabled him to regain the league lead with a season total of 111.

In addition, Koufax knocked the Giants from first to third place and permitted the St. Louis Cardinals to take over the top rung, seven percentage points ahead of the second place Dodgers.

**Regained Strikeout Lead**  
Koufax, who pitched a three-hit shutout against the Houston Colts last Saturday, now has pitched 19 consecutive scoreless innings. It was his second win of the season over the Giants—the other a no-hitter against them on May 11.

Ex-Yankee Bill Skowron's two-run double, which skipped through rightfielder Felipe Alou's legs, sent Maury Wills and Ron Fairly over the plate in the third inning with the runs which dealt Billy O'Dell his third loss compared to nine wins. The Giants filled the bases with two out in the second inning but Koufax fanned Jose Pagan to end the threat.

The Cardinals romped over the New York Mets, 5-1, the Philadelphia Phillies defeated the Cincinnati Reds, 4-2, and the Pittsburgh Pirates topped the Milwaukee Braves 9-3, in other NL games.

In the American League, the Cleveland Indians shaded the Washington Senators, 1-0, and the Baltimore Orioles beat the Boston Red Sox, 7-2.

**Threw Five-Hitter**  
Ernie Broglio pitched a five-hitter for his eighth win behind a

Cardinal attack that was concentrated in the first four innings during which Bill White homered, Curt Flood had two doubles and Ken Boyer had three straight singles. It was Broglio's third straight win of the season over the Mets and the unearned run they scored against him in the seventh inning was their first against his pitching.

Roy Sievers' three-run homer, following a deliberate walk to Wes Covington, and Don Demeter's homer, both in the sixth inning, gave the Phillies their seventh win in 10 games with the Reds. Ryne Duran went six innings to win his second game with Jack Baldschun spinning three scoreless innings to clinch the Triumph John Tstourous suffered his second loss for the Reds.

Rookie Willie Stargell hit two homers and knocked in six runs and Bill Mazeroski and Bob Bailey also homered to lead the Pirates' 12-hit attack. Don Cardwell pitched an eight-hitter to win his third game. Hank Aaron, the major league leader, hit his 19th homer of the season for the Braves.

### Nats And Orioles Park Action Winners

The Nats and Orioles won yesterday in Park League action.

The Nats smothered the Yanks 11-3 in the first game yesterday. Tidwell of the Nats pitched a one-hitter. He struckout 8 and walked 4. The Nats made 3 errors. Rose led the Nats to victory with a double and triple.

The Yanks got one run off of one hit. Heck got the only hit which was a home run. Heck was the losing pitcher.

In the second game the Orioles beat the Pirates 10-5. The Orioles got 7 hits and 10 runs. Cole, Keel and Knight led the Oriole charge. Knight was the winning pitcher. They made 5 errors.

The Pirates got 5 runs off 6 hits. James Mahan got two doubles. They made 4 errors. The losing pitcher was Colson.

## "Louisville Lip" And Cooper Meet Tonite in London

LONDON 17.—In an appropriately splendid setting, Kentucky's "g-r-e-a-t" unbeaten Cassius Clay and England's British Empire champion Henry Cooper fight here tonight for a September shot at the world heavyweight crown.

A half-dozen historically clad trumpeters, six American soldiers and six English soldiers will escort Cassius, the "Louisville Lip," and Cooper, London's former house painter, into the canopied ring amidst the cheers from a police-

limited crowd of 55,000 at London's outdoor Wembley Stadium.

The stadium can hold 100,000 for a soccer game but the police will not permit more than 55,000 tonight.

There will be band playing, community singing and other foldouts arranged by promoter Jack Solomons for this richest fight ever staged outside the United States—a show for which the gate is estimated at \$448,000.

The comes the scheduled 10-round fight between Clay, 21, and Cooper,

29—a boy in which "Gaseous Cassius" will try to make his fists live up to the boast loudly shouted by his mouth:

"I'm not talkin' jive; Cooper fails in five."

Manny King, one of Britain's outstanding bookmakers, announced that Clay is favored at 4-1 in man-to-man betting.

Clay is a prohibitive favorite because he seeks his 19th consecutive victory as a professional and his 16th knockout. Also because he is ranked second among contenders, just below former champion Floyd Patterson. Cooper is rated fourth.

Many British experts believe that Cooper's aggressive style, featuring a good left hook, and his comparatively weak defense—coupled with quick-blooding brows—provides a "made-to-order" victim for Cassius.

Clay, with the nimble legs and fast hands, usually keeps circling and opponent and spearing him with left jabs and shaking him with sneaker rights until he is ready to be bombarded and knocked out at close quarters.

Cooper, a good puncher, scored

## Murray Legion Team Winner Fourth Game

Manager Lubie Veale's American Legion baseballers defeated Bructon, Tenn., at Bructon last night behind the 3-hit pitching of Hayden Boyd. The Murray Legion team has a 4-0 record for the season, following their 2-1 victory.

Rick Tidwell led the Murray batting attack with 3 hits in 3 trips, and Danny Wright collected a double and a single. Murray had a total of 8 hits.

Mrs. Hayden Rickman entertained with a dinner for the members of the Kings Daughters Sunday School Class of the Scotts Grove Baptist Church at her home on Tuesday evening at seven o'clock.

A delicious meal was served by the hostess after which Mrs. Toy Bolen gave the devotion and Mrs. Guy Kelly led in prayer. Mrs. Buddy McNut gave the treasurer's report.

Members present were Mesdames Rickman, Bolen, Kelly, McNut, Cross Spann, Bud Tutt, Cletus Hulse, Tom Order, Vogel, Cusland, Bennie Spann, Terry Lawrence, Herman Lovins, and Rudy Barnett. Visitors were Mrs. Frank Rickman and little son, Richard.

Dear Abby . .

## Reverse Psychology!

Abigail Van Buren

DEAR ABBY: The letter signed "SMART TOO LATE" interested me. Here is a boy who urges other young people not to wait until their last semester of high school before bucking down to study. He uses himself as an example because he had just received the shock of having been turned down by the college of his choice. What gives a person who has failed the authority to lecture to others on the subject?

MRS. JONES

Now, Abby, do you think he's got somebody else or is snoring enough to make a man sleep alone?

DEAR ABBY: My son is 17 and wants to get a driver's license. He drives all right, so that's not the problem. You see, he was born in March, and I didn't get married until May of the same year. I don't want to give him his birth certificate with that information on it. He says he needs his birth certificate to get his driver's license. What should I do?

DEAR ABBY: Knowledge is the awareness that fire will burn. Wisdom is the blither. Blithers heal. Cheer up, Sister.

For a personal, unpublished answer to your letter, write to ABBY, Box 3365, Beverly Hills, Calif.

DEAR WORRIED: You do not say whether you married the boy's father, or another man. Your problem involves laws and procedures that differ in different states. In some states birth certificates

can be "fixed up" (to protect the child) and the original sealed. Ask your city or county health department, or the department of vital statistics, for information.

DEAR SNOORING: Believe him. Snoring has driven more husbands (and wives!) out of their mates' bedrooms than infidelity.

CONFIDENTIAL TO "PATTY'S PIG": Knowledge is the awareness that fire will burn. Wisdom is the blither. Blithers heal. Cheer up, Sister.

to the U.S. Constitution that would eliminate payment of a poll tax as a requirement for voting. The amendment has been approved by 35 of the 38 states required for ratification, and Combs said earlier this month he hoped Kentucky would be a key state in the ratification.

A method for refunding bonds of the Kentucky Turnpike Authority in advance of their maturity. Legislation relating to probation and parole and the organization and function of the state Department of Corrections.

The need for prison reforms, proposed by the state Department of Corrections, stemmed from public concern over the operation of the state's penal institutions.

A critical report by the National Council on Crime and Delinquency earlier this year caused widespread reform interest.

A method to refinance turnpike bonds requiring some way of holding in escrow money from the refunding issue to later retire the non-callable portion of the bonds. Presumably escrow funds would be invested in government securities, pending dates when old bonds could be recalled and retired.

Dr. Robert R. Martin, president of Eastern Kentucky State College, is the leading exponent of the college proposal, which he originated.

Dr. Martin hopes private financial interests will build a motel on the Richmond campus. At present, under state law, the University of Kentucky and state colleges may, with state approval, sell land they own to private interests.

Dr. Martin has proposed — with the governor's blessing — that the colleges and U.K. be empowered to lease suitable sites to private interests to build needed facilities.

The colleges then would use rentals from the privately constructed buildings for college purposes.

They thus could acquire such things as research centers, alumni houses, dormitories, and similar facilities.

Dr. Martin said that at Eastern, the college would lease the land for a motel site. Income from the lease would go to the Eastern Kentucky State College Foundation, which is now being set up. The foundation would award scholarships to qualified persons to attend Eastern.

## Kralick, Always Under-Rated, Is Reason For Indian's Surge

By United Press International  
Jack Kralick is one of those fellows who is always being under-rated.

He's a fidgety, frail sort of fellow who was once placed on a vitamin diet to beef up his body and his fast ball. The Washington Senators gave up on him after two years and so did the Minnesota Twins despite the fact that he pitched a no-hitter for the Twins last Aug. 26.

Now he's with the Cleveland Indians and one of the big reasons why the Indians have surged into American League flag contention with five straight victories and 15 in their last 17 games.

"We just put him on the firing line and turned him loose," said Cleveland pitching coach Mel Harder. "We haven't done a thing to change him."

The Indians acquired the 28-year-old native of Youngstown, Ohio, May 2 in a deal that sent Jim Perry to the Twins. At the time Kralick's record was a meager 1-4 and it became 1-5 with the Indians before it started to get better.

**Raised Season Mark**  
Now Kralick has won six in a row and raised his season mark to 7-5 including a five-hit, 1-0 victory over the Senators Monday night in his last 44th inning, he's allowed only five earned runs and at the rate he's going he's quickly being recognized as the most effective lefty the Indians have had since Hero Score.

The victory and Baltimore's 7-2 win over Boston in the only other AL game Monday night put the Indians, Orioles and the Red Sox in

a virtual three-way tie for third place. Only four percentage points separate the three teams, who all are three games behind the first place New York Yankees.

In the National League, the Los Angeles Dodgers defeated the San Francisco Giants, 2-0, the St. Louis Cardinals beat the New York Mets, 8-1, the Philadelphia Phillies downed the Cincinnati Reds, 4-2, and the Pittsburgh Pirates topped the Milwaukee Braves, 9-3.

Kralick allowed five hits, struck out five and didn't allow a walk as the Indians continued to take advantage of a schedule quirk that has enabled them to beat the Senators eight out of nine games in the last 11 days. Kralick has scored four of the Indians' 15 wins since June 2 when they were in eighth place, eight games out of first place.

**Balk, Error Help**  
The Indians scored the only run of the game in the eighth inning with the help of an error and a balk by Washington pitcher Jim Duckworth.

Duckworth, who suffered his fifth loss, threw wildly past first base enabling Dick Howser to reach second base Howser moved to third on Jerry Kindall's sacrifice and scored when umpire John Pannett called a balk on Duckworth for stopping halfway through his windup and stepping back off the mound.

The Orioles gained their fourth win in their last 18 games behind the strong pitching of Mike McCormick, who also homered in his own behalf during a six-run Baltimore rally in the fifth inning.

Big blow of that decisive frame was a three-run homer by Joe Gaines.

Luis Aparicio weighted in with two other hits for the Orioles, who snapped the Red Sox's six-game winning streak.
